

Purchase Modular Training Program License

Single or multi-user licences for the PDA Modular Training Program can be purchased online, with secure payment by credit card using PayPal.

Before purchasing a licence, please ensure that the computer you intend to view the program's content on has Microsoft PowerPoint 2003 or later installed (the files will not run with PowerPoint 2002 or earlier, or with PowerPoint Viewer).

After your online payment is completed, you will receive an email containing a download link for the Modular Training Program files, your serial number(s), and installation instructions.

Please click [here](#) to purchase a single or multi-user licence for the PDA Modular Training Program. You can select from one, two, three or four-user licences - if you require more licences, or if you have any questions, please contact Melanie McKie.
